TOWNSHIP OF MIDDLETOWN
NOTICE

This is a copy of Ordinance No. 2012-3060 that was introduced at a scheduled meeting of the Township Committee of the Township of Middletown, May 21, 2012 held over for further consideration upon second reading and final passage at a meeting of the Township Committee to be held in the Main Meeting Room in the Township Hall, One Kings Highway, Middletown, on Monday, June 18, 2012 at 8:00 p.m., at which time all persons interested will be given an opportunity to be heard.

**ENACTING TOWNSHIP PAY TO PLAY ORDINANCE
TO BE IN CONFORMANCE WITH STATE LAW**

WHEREAS, accordingly to the New Jersey Election Law Enforcement Commission (“ELEC”), organized labor outspent the next closest interest group by a margin of 8-1 in the 2010 election cycle, and 17-1 during the 2009 gubernatorial and legislative election season with 11 of the 15 top spending special interest committees (PACs) identified by ELEC were run by unions in the 2010 election cycle; and

WHEREAS, public sector labor unions are no different than any professional service firm: they negotiate contracts for services with elected officials; and

WHEREAS, local government entities, including Middletown, spend well over 60% of their overall budgets on compensation and benefits for their mostly unionized workforces and less than 5% on all other exempt professional services; and

WHEREAS, local pay to play regulations in place since 2008 have not stopped the wheeling of tens of thousands of dollars into Middletown elections through out of county PACs, union funds and professional service firms located in Middlesex County that have recently been the subject of numerous reports by media outlets; and

WHEREAS, campaign finance reform only works if it curtails all interest groups equally and does not carve out any exceptions to benefit one party or another; and

WHEREAS, the Township Committee supports Governor Christie’s and State Senator Tom Kean Jr.’s proposed uniform statewide pay to play reforms that would level the field and eliminate confusion caused by a multitude of varying and ineffective local regulations; and

WHEREAS, recent United States Supreme Court precedents have called into question the legality of certain campaign finance regulations imposed against business entities, which may now result in commonly adopted pay to play regulations constituting unconstitutional conditions of contract by denying business entities and their principals their First Amendment rights.

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Middletown in the County of Monmouth, State of New Jersey that Chapter 40 the

Code of the Township of Middletown (1996) be and is hereby repealed in its entirety and supplemented as follows:

SECTION 1. Pay To Play.

Notwithstanding any provision of law to the contrary, any business entities exempt from the provisions of the Local Public Contracts Law (N.J.S.A. 40A:11-1 *et seq.*) contracting with the Township of Middletown shall be subject to the provisions of the statewide pay to play law (N.J.S.A. 19:44A-20.4 *et seq.*).

SECTION 2. Repealer.

Any ordinance inconsistent with the terms of this chapter is hereby repealed to the extent of such inconsistency.

SECTION 3. Effective Date.

This chapter shall become effective upon final adoption and publication in accordance with law.
